ABOUT FPCR

The First Presbyterian Church of Richfield has been serving the community from the same location since 1862, over 160 years.

We are a small country church that offers a traditional environment for our Bible-based Sunday service.

WE BELIEVE

We strongly believe that prayer must be the foundation from which our Church attempts **ALL** of its ministry. We strive to make no move without first prayerfully seeking God's guidance.

We gather each Sunday to worship God. We praise Him through prayer, hymns, scripture and a message centered on **HIS WORD**.

The **BIBLE** is always the center of our focus as God speaks to us. He is our Shepherd and our trust is in Him. We are committed to this.

The **Lord's teaching** challenges this church to open minds to the love of God.

REACHING OUT

We attempt, at all levels, to do His will . . .

reaching out by offering an "open communion" to all who seek God's forgiveness;

reaching out to the families of this congregation when the need arises;

reaching out to families and individuals through the Slinger Food Pantry or when alerted to a special crisis;

reaching out around the world through mission appeals coordinated by the Presbyterian Church (USA).
