

# In Touch with FPCR

## THANK YOU FOR SUPPORTING THE GINGERBREAD HOUSE

***“Every child in Washington County will have the opportunity to experience the lasting, cherished memories of Christmas.”***

This is the mission of the Gingerbread Holiday House Christmas Program. Helping a family, selected by the Gingerbread House staff, is one of the joys FPCR has during the Christmas season. Thanks to your generosity again this year, FPCR was able to send \$715 to help a family have a happy Christmas.

FPCR’s 2021 family consists of a mother, age 29, and her 8-year old son. They had a difficult year. The mother was in a serious car accident and continues to deal with medical issues and bills. They also had a house fire and lost much. Additionally, she lost her brother. She stated that it has been a very traumatic year for herself and her son.

The Gingerbread House Holiday Gift Giving Program is part of the Youth and Family Project, a non-profit located in West Bend, WI.

The FPCR family is happy to help this family make some joyful Christmas memories.

## SERMON JOTTINGS

*With our present schedule, it is sometimes difficult to follow the continuum of church lessons and sermons. Here are the summary notes from the November services by Pulpit Supply Mr. Paul Zachow, MAPS/Chaplain.*

Date: **November 7, 2021**

Text: **Mark 12:38-44**

*This scripture from Mark is about the scribes of the Temple. Jesus cautions the disciples and people about the way they live and conduct themselves in/out of the temple. He finds them to be hypocrites. "They like to walk around in long robes, and to be greeted with respect in the marketplaces, and have the best seats in the synagogues as well as places of*

*honor at banquets. They devour women's houses and pray long prayers . . . Basically, they like to "appear" important, have privileges, and demand respect. They do NOT, however, practice what they preach.*

- The scribes "preyed" upon the poor, women, and widowed. Often they would "manage" the affairs of these individuals to make themselves richer.
- In today's society, we need to focus on right living and to not oppress those who are poor or suffering.
- We need to follow an ethic of love and caring.
- We are called to have an attitude of gratitude in terms of all the blessings in our lives, the church, and the world.
- We are called to care about the sick and vulnerable in our society and not follow the way of the scribes.
- We are called to have trust in God.
- Our offering is more than money. We are putting our whole selves and offering all of our lives to God. Our gifts, talents, and abilities are an offering to God.
- Giving our whole self over to God results in a richer and fuller life than we can imagine.

## ALL THAT WE HAVE IS A GIFT FROM GOD

Date: **November 21, 2021**

Text: **Matthew 6:25-33**

Sermon: ***Do Not Worry, Rejoice With Thanksgiving***

*This scripture reading is part of Jesus' Sermon on the Mount. He is teaching the disciples and crowd about life in the kin-dom of God rather than the culture of the day. Those who follow His ways are blessed. This Gospel is a counternarrative that helps the audience to live an "alternate" existence. It is God's world, not Rome's. It is God who reigns, not the emperor or the government. God's blessings extend to all.*

- We are called to not worry about our lives, what we will eat, or what we will drink, or what we will wear.
- We are called to place our trust in God for our needs, our lives, and for loving our neighbor.

## KATE AND MELISSA KUJAWA ATTEND THE BEST BUDDIES GALA

**Kate Kujawa**, Mom **Melissa**, and other family and friends attended the Best Buddies Gala. Best Buddies is found in many high schools across the state and country. The club promotes one-on-one friendships within the school between students with intellectual and developmental disabilities and those without a disability. This program tries to break social barriers at a difficult time in a teenager's life, with or without a disability. It is both a service club as well as a social organization.

## SUPPORTING PAST, PRESENT, AND FUTURE LEADERS

The Christmas Joy Offering is the final special offering of the year. It distributes gifts equally to the Assistance Program of the Board of Pensions and to Presbyterian-related schools and colleges equipping communities of color. More information is available at <https://specialofferings.pcusa.org/offering/christmas-joy/>

At FPCR the Christmas Joy Offering will take place on December 5 and December 19. Special envelopes may be found on the narthex table, or you may send your check (Joy Offering on the memo line) to FPCR, PO Box 22, Richfield, WI 53076, by December 15.

## SERMON JOTTINGS

*(Continued from page 3)*

- We cannot always control what happens in our lives or the world; but placing our trust in God can give us comfort, peace, hope, courage, and strength no matter what we face.
- Our world today is the world from which people need to be saved through Jesus' ministry.
- Christians are to be an active and faithful alternative community. The church is to be this alternative community of existence, and we are called to follow this as disciples of Jesus.
- The teachings and life of Jesus Christ, God, and the Holy Spirit shapes us and forms us to follow in Christ's footsteps and to love one another. We are also called to have gratitude for all of the blessings in our lives and the world.
- Place your hope and trust in God.
